Supplemental Reply Under 37 C.F.R. § 1.111

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

The Office mailed a Notice of Non-Compliant Amendment on June 9, 2006, as the Reply Under 37 C.F.R. § 1.111 filed March 29, 2006 allegedly failed to meet the requirements of 37 C.F.R. § 1.121 by failing to include a complete listing of all the claims. Since no claim amendments were made in the Reply, Applicants submit that 37 C.F.R. § 1.121 (Manner of making amendments in applications) is not applicable. Nevertheless, in order to expedite prosecution, Applicants submit the following Supplemental Reply which includes a complete listing of all of the claims in ascending order and with status identifiers.

It is not believed that extensions of time or fees for net addition of claims are required beyond those that may otherwise be provided for in documents accompanying this paper. However, if additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefor (including fees for net addition of claims) are hereby authorized to be charged to our Deposit Account No. 19-0036.
